RULES and GENERAL INFORMATION

Competitors participate at their own risk.

The shows are all held at a working equestrian centre. Please keep your dog on the lead and pick up after it at all times. The stable yard is out of bounds. You may walk your dogs in the woods but there are pigs in there. They are now fenced so that they cannot get out but the dogs can get in as the fencing is very low so please be very careful and keep your dogs under control. If you see a horse coming please put your dog on the lead. There is a nice walk round the cross country course. This is fenced off from the horses but the fencing is electric.

The stable yard is out of bounds.

The speed limit once you enter the property is 5 mph that is very slow, less than walking speed anything faster is dangerous. Imagine if your dog slipped its collar when someone was driving too fast and don't do it! If you are caught speeding you will be asked to leave!

All dog poo must be put in the wheelie bin near the rings or directly on the bonfire in the woods and not in the red bins.

Dogs must be at least 16 months to compete.

If you are doing a training round you will be allowed the course time. Please inform the scriver if you wish to train.

No bitches in season.

Anyone considered to be harsh handling will be asked to leave. Spray collars and pet correctors are not permitted. If you have an aggressive dog please keep it away from the other dogs, if you let us know then we will make sure you do not miss your turn.

Please do not use squeaky toys near the ring although you may use one in the ring if you are training.

Jump heights are micro, small, medium, standard and large using the KC measuring system.

Courses are the same for all heights and may only be walked at the beginning, not between heights.

Rosettes will be presented to at least 10% and prizes to 3rd in each height category in each class. Micro/small, small/medium and standard/large results will be combined. Clear round rosettes are available in all classes

Entries can be booked on www.AgilityShows.Online, by using the online form on our website www.pachesham-agility.com or by post, if using our website payment must be received within 7 days or the entry will be cancelled.

Entries close 2 weeks before the date of the show after which no refunds or transfers to other shows can be made. However, if we have not reached our limit late entries will be accepted, please check before turning up.

We are no longer going to create running orders as such just a list of the dogs entered in each class, you can run in any order, if you have more than one dog in a height category please run one early so you do not hold up the class. These lists will be sent out by email a week before the show, Monday morning at the latest. If you do not receive yours please let me know, emails often disappear.

REFRESHMENTS we provide FREE tea and coffee, please help yourself from the urn. We do provide cups but you may wish to bring your own mug. Pachesham also has a canteen at the top of the drive on the right in the container next to the bus, selling bacon rolls, chips etc. They are usually open for the duration of the show although we cannot guarantee this.
